Dear Mrs. Kanokwan Khruemanee,

We hope this email finds you well.

It is really great and honorable to meet your team last week.

After discussion with your team, Dr. Arthur, Yawteng Tseng would like to catch up what we had discussed in our meeting.

Therefore he wrote an letter to Dr. Winitra Leelapattana to remind both us how we can work together and ask for your kind assistance to recommend your excellent students who are interested in studying in NPTU. The admission and scholarship information are as described below.

In addition, we also send you the information which we had mentioned in the meeting for your perusal.

Should you have any query, please let us know.

Best regards,

Ya-Ping

-----

As your students may be interested in continuing their study after graduating from your university, National Pingtung University is pleased to offer a wide variety of programs for them, including master and doctoral programs in 2022. In particular, we offer a substantial amount of scholarships for international students to apply such as free accommodations, tuition waiver, and stipends.

National Pingtung University is honored to announce four international programs, including

- ✧ International Ph.D. Program in Applied Science of College of Science [[link](#)]
- ✧ International Master Program in Applied Science of College of Science [[link](#)]
- ✧ International Master Program in Information Technology and Applications [[link](#)]
- ✧ International Master Program in STEM Education [[link](#)]

We would appreciate if you could post the application link online or forward it to prospect students.

Application link: <https://oiais.nptu.edu.tw/p/412-1090-12629.php?Lang=zh-tw>

Through the link, students will be able to see all the information needed for application.

If you have any query, please don't hesitate to contact us via [oiais@mail.nptu.edu.tw](mailto:oiais@mail.nptu.edu.tw) for any assistance, thank you.**Top 10 reasons why you should study in NPTU**

1. NPTU is a public university, with perfecting education system, over looked by Ministry of Education, R.O.C.
2. Good scholarship to support international students to pursue your dream. Tuition waiver, free accommodation and monthly stipend.
3. We offer More than 30 programs from the **College of Management, College of Computer Sciences, College of Education, College of Liberal Arts a Social Sciences, College of Computer Science and Innovative and International College**. We also provide free Chinese class and tutor for international students.

4. NPTU has 2 libraries, 1 standard swimming pool, 2 gymnasiums, 1 artificial turf soccer field, well-equipped class rooms and experimental instruments provide NPTU students with educational and healthy life.
5. Good location. NPTU is located in Southern Taiwan, abundant sun light with the average temperature of 25-degree Celsius year round.
6. NPTU is located in Pingtung city, easy access to department stores, hospitals, movie theaters, shopping malls and night markets.
7. 10 minutes away from Pingtung train station, 40 minutes by train to Kaohsiung, the largest city in southern Taiwan.
8. Easy access to Kaohsiung international airport. Less than 1 hour by car to and from Kaohsiung international airport, which provide directly flights to major cities such as Hong Kong, Tokyo, Bangkok, Incheon, Manila, Hanoi and Singapore.
9. With the assistance from the Office of International Affairs, ease your life in Pingtung, Taiwan.
10. NPTU provides international students with reserved on campus accommodation, to avoid rental for accommodation, money saving.
