About i-FAISEN 2022

International Forum on Agricultural Innovation, Sustainability, Entrepreneurship and Networking (i-FAISEN) is part of the AAACU 23rd Biennial Conference with Maejo “Reinventing” University.

**i-FAISEN Theme: “Agricultural Innovation, Sustainability,
Entrepreneurship & Networking”**

i-FAISEN 2022, is the (on-site & online) international conference for presenting an area of Agricultural Technologies, Science, Energy, Environment, and Innovation. Also, parallel sessions consist of panel discussions (round table), poster presentations, exhibitions, and innovation contests. The conference will bring together renowned researchers, engineers, and scientists from around the world in the Field of Interest: Multidisciplinary (with the above-mentioned area).

Oral Presentations
