22nd April 2026

Dear respected friends and colleagues,

Warm greetings. On behalf of Kagawa University, I would like to express our sincere gratitude to your office for the excellent work and dedication in fostering the collaboration between our institutions.

I have an announcement regarding the opening of applications for the Sanuki Program.

Opening of applications for Sanuki Program

We are pleased to announce that applications for our Fall 2026 'Sanuki Program' intake are now open (<https://www.kagawa-u.ac.jp/kuio/isc/sanuki-program/>).

Please note that all application-related transactions (e.g., e-mails) should be conducted through your office, not directly with the students.

Please complete the form (<https://forms.cloud.microsoft/r/uhqeP1r5sD>) and submit all required documents electronically as attached files via e-mail to my colleague, Mr. Sota Moriguchi (e-mail address: ryugaku-h@kagawa-u.ac.jp). We shall then check the documents for accuracy. **If we have any questions or need corrections regarding your students' application documents, we may contact the students directly to address our queries or request them to make the necessary corrections.**

Once we have thoroughly checked the documents and confirmed they are complete, we will apply for the Certificate of Eligibility (COE) at the Takamatsu Immigration Office on behalf of your students. If hard copies of any documents are required, we will inform you.

We kindly request that your office provide us with the recommendation ranking of qualified students, in case we receive more applications than the number of students we have agreed to accept under our agreement.

Transportation: All transportation (air and land) costs from home country to Kagawa should be paid by students themselves.

Accommodation: We shall try our best to provide a room in one of our dormitories. Otherwise, we shall assist the student to find accommodation in private apartments.

For more information about the students' dormitory, please refer to the link below:
